Short-Term Investments That Are Safe

Satisfactory short-term investments in the shape of stocks and bonds are not readily found. Most of the choice securities have a number of years to run.

However, there is one security that we can recommend without any reservation whatever to those having funds for short-term investment—our interest-bearing Certificates of Deposit.

Any amount from $1.00 up can be invested with the assurance of absolute safety and for such time as is desired. They will be found just as satisfactory for long-term as for short-term investment.

You are invited to call on us for full details.

One-fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.

Appomattox Fights Hard

About 1000 people saw one of the best ball games ever staged in amateur base ball in the city of Lynchburg Saturday, when Appomattox clashed with the strongest team of that city—Craddock & Terry.

From the very beginning it was a pitchers battle while it was very evident that Musselem, for Appomattox had the "Shoe Makers" at his mercy throughout the entire contest.

While only Clement reached third for our boys by a three bagger the game was "nip and tuck" from the very begin ning.

Parcell for the "Shoemakers" was the star when he came up in the 9.h with one on 2nd and hit safely to left scoring the winning run 1 to 0 in favor of the "Shoemakers".

Appomattox still wants to show the champions that they can whip them. So the same two teams will clash at the Fair grounds here at Appomattox on Saturday, September 16th, at 3:30 p. m. Come out if you want to see a good game.

"Slimy Taste"

"When I feel stupid, get constipated, or bilious, I take a good dose or two of Black-Draught and it sets me straight," writes Mr. George B. Haisley, of R. F. D. 2, Columbia, S. C. "It cleanses the liver and I feel all right, and have not used any other medicine as I do not see the need of it. I am a guard at the State Reformatory, and have been for three or more years. When I first heard of

BLACK-DRAUGHT
Liver Medicine

and the good medicine it was, I had been having a tired feeling when I'd get up in the morning. I would be stiff and sore, and had a slimy, bad taste in my mouth, but didn't think so much of it till I began to feel stupid and didn't feel like eating—then I knew I needed medicine. It was then I began Black-Draught, and I felt all made over, ready for any kind of work, ready to eat and sleep. So, for any return of this trouble, I take Black-Draught, and for 25 years it has been my medicine, and I wouldn't be without it at all. My work is constant. I am on my feet a lot. I am out of doors, and fresh air and Black-Draught are all the medicines I need. I recommend it to others for I know it is good."
